Membership in the Association shall be open to producers or consumers of coal produced in North America and other entities which are interested in its transportation and related issues, provided, however, that entities or their affiliates whose primary business is providing transportation of coal by rail, barge, truck, pipeline slurry, or any other mode shall not be eligible for membership.

(b) Classes of Membership: There shall be three classes of membership:

A minimum of six (6) years of combined service as a Member of the NCTA Board of Directors and NCTA Committee Chairperson; or
