

NATIONAL COAL TRANSPORTATION ASSOCIATION

Vocational, Trade, Certificate or Associate Degree Program Scholarship Application

NCTA proudly awards two Vocational, Trade, Certificate or Associate Degree Program Scholarships annually to dependents of full-time employees of NCTA member companies in good standing. Your eligibility is dependent on being currently enrolled in a qualified program and being able to provide certification of such enrollment. Any Scholarship award is to be used during the subsequent session of training. The parent of the applicant must be employed by the Member Company at the time the winners are selected. Semi-finalists will be selected primarily on the basis of academic merit with consideration given to extracurricular activities and community involvement. A stated career interest in coal production, electric generation, and coal transportation will be noted favorably. A complete description of the [NCTA Scholarship Guidelines](#) are available for your review.
