

The National Coal Transportation Association (NCTA) will be accepting applications for the Annual Member's Children Scholarships through **JULY 31, 2023**.

Add your Company NAME, as a member company of the National Coal Transportation Association (NCTA), is eligible for the Annual NCTA Member's Children Scholarship Program. The legal dependent sons and daughters of full-time employees, who are currently enrolled as full-time **College students** are eligible to apply. There are two \$1,500 non-renewable one-year academic scholarships to be used for their subsequent Junior or Senior school year (2023-2024). NCTA also now offers two \$1,500 non-renewable one-year **Vocational, Trade, Certificate or Associate Degree Program** Scholarships for students enrolled as full-time students in a qualified program (must provide certification of current enrollment to be eligible to apply).

NCTA is proud to assist your children in achieving their educational goals, and historically, has had an excellent response from many talented young men and women.

See links below to the NCTA website for more information on the program and where the application forms can be found (available in fillable PDF format).
